Mango & Coconut Sticky Rice

Always a favourite. Mangos with their delicate fragrance, sweet flavour and velvety fresh, blend especially nice with our coconut sticky rice.

Banana Spring Rolls

A favourite among children and adults a-like. A banana, cashew and brown sugar filling, wrapped in a crispy light spring roll pastry and served with vanilla ice cream and caramel topping.

Deep Fried Ice Cream

Vanilla ice cream in a crispy, cinnamon, cereal coating and topped off with caramel and a cherry.
